Dear frill lovers,

The European frill meeting takes place from 02.11.2018 until 04.11.2018 in Aschersleben (Germany). The breeders who joined us in 2011 can still remember this place. The hotel "Ascania", Jüendorf 1 06449 Aschersleben 004969-999 915 443 is unchanged and the exhibition hall is not far away from the hotel; Ermslebener Straße 10 06449 Aschersleben.

I recommend first to drive to the hotel and behind to the exhibition hall.

The judges can further distribute a full package of prizes. Of course, we are grateful for each donated price! The best short beak frill of every judge gets an EMC banner and will be put in the gallery of honor. Frills in this gallery with 97 points can compete for the golden, silver or bronze medal and the title "Frill Champion 2018".

Further prizes will be given, according to the show conditions of the association "GZV Aschersleben". All further information can you find in the attachments, but also at their site after the button "Ausstellungen" www.gzv-aschersleben.de or at our site www.emc1975.net.

Due to lack of space, we can only accept to this show, short beak frills!

A city visit is foreseen for the ladies and other interested participants on Saturday morning.

I hope for a good participation and say "Welcome" in Aschersleben.

Luc Kerkhofs,
President EMC
